Re: Administrative Appeal to Government Hill's PRAs: Content of Record of Appeal

Dear Commissioner Kemp:

Thank you for your response to our appeal. We agree that the list of documents in your October 10, 2104 letter should be included in the record on appeal, with one addition. We think that you and Senior AAG Jones also might find it useful to review the original request for proposal for professional services to create the independent socioeconomic forecast data that we seek.

On June 12, 2013 KABATA announced that Australian firm Cardno Inc. in association with Anchorage firm Agnew::Beck had won the professional services bid. A copy of the RFP document dated May 20, 2013 and designated RFP # K-13-01, is available at the following URL:

I am copying Director Campbell with this letter so that he may review this RFP document as well.
Sincerely,

Stephanie A Kesler
President Government Hill Community Council
